Welcome back! The Hot Lunch Committee is excited to announce the addition of Ledo's to our lineup of great vendors. Ledo's will provide penne pasta with marinara sauce and grated cheese, warm garlic bread and a salad bar of mixed greens (no iceberg!) with a choice of homemade dressings and a variety of toppings.

In addition to adding a new vendor, we are instituting a few changes regarding the sweet and salty treats that are offered with Church Street, Chick-fil-A, and Subway. In an effort to promote a healthier lunch, students will choose either chips OR a dessert, not both as in years past. We will continue to serve fruit and carrots with these lunches. Also, please be advised that Chick-fil-A uses 100% fully refined **peanut oil** that is cholesterol and trans fat free. Additional nutritional information can be found at www.chick-fil-a.com/Documents/AllergenReference

If you want to purchase hot lunch from a particular vendor, you **MUST** order the same meal each time and purchase lunch on all days the lunch is offered.

If you wish to participate, complete the attached order form(s) and return to the main office no later than **FRIDAY, SEPTEMBER 11**. A separate form is needed for each student, but please write one check combining totals for all children in your family. Please clip all forms together, attach check and return to school office.

Finally, you will notice that prices have increased from last year. In order to keep the program viable, we found it necessary to do so. All vendors and the dry goods supplier have raised their prices over the years while we have not increased prices for individual lunches in five years.

Please contact Stephanie Hinnenkamp (hinnenkamp512@verizon.net) or Amber Williams (amber.williams1@verizon.net) with any questions or concerns.
Thank you!
